TO THE BUYING PUBLIC

While this Price List does not include everything grown, it has the most wanted trees and plants in it and priced as low as good plants can consistently be sold at retail. Anything that our patrons may desire, we shall be glad to quote you on, and we assure you that the price will be right, and the plants the best at the price.

ORDERS

In writing orders, make them plain, and as explicit as possible, telling how you wish the goods shipped. If not stated we will ship according to our best judgment.

TERMS

All mail orders must be accompanied with cash, unless arranged with us.

QUANTITY PRICES

Whenever greater quantities are wanted than priced in this list, we shall be glad to take the matter up with you by mail, and will name a price consistent with the amount desired.

Our responsibility ceases on delivery of goods to the carrier, and orders are taken subject to stock on hand, or shortage of crop, or other causes beyond our control.
